

starting at:  
**\$21,995.**

#### WHATS INCLUDED

Everything—computer, monitor, mouse, keyboard, motion control software, spindle, four stepper motors and drives, complete control cabinet, and, of course, the CNC machine.

All you have to do is supply power.

#### SUPPORT

Our experienced team is always ready to help. To keep downtime to a minimum, we can log in remotely to diagnose any problems. And most parts orders can reach you the next day.

## EG-S SERIES

  - Collet and wrench
  - Operational manual
  - Full 3D files processing capability
  - Control panel mounted to table frame
  - Easy access emergency stop
  - 240vac- 3phase unit
- \*This unit can be modified with most accessories

#### Jig System

Plane surfboards in no time with an EG-S series machine.

The EG-S series simplifies production of the unique surfboards your customers demand. All EG-S machines use a double-steel gantry, steel sideplates with an aluminum tranny system, one-piece steel-welded frame, HiWin linear rails and bearings on all axes, and a HiWin ball screw assembly on the z-axis.
